Sharif Kamal Open Scout Goup | Brahmanbaria

Role As a Boy Scout:

- Participated in the 10th Bangladesh and 3rd SAANSO Scout Jamboree.
- Honoured by the local government authority for social activities.

Goal & Interests

I shifted from science to business studies because I was fascinated by corporate life. My dream is to become a CEO because I enjoy solving problems, and I believe this role will expose me to diverse challenges that will keep me engaged. I am constantly learning to get one step closer to my goal. I am also passionate about technology and seek to combine my technological knowledge with business acumen. Right now I am learning about the role of a product marketing manager.

Interests:

-
- Chartered Accountancy
- Stock Market
- Investment Banking

Awards and Achievements

#College

- Business Case Study
- Startup Idea

#School

- Inter-School Programming
- High School Math Olympiad

Failed Startups

ArticLStore (2017):

An online article writing agency.
Also the first time I faced failure.

BelaBazar (2019):

An Online Ecommerce Business. I joined my friend as a co-founder but we failed due to inexperience and lack of money.

Brands & Organizations

Investor & Advisor

In this clothing brand, we sold hundreds of T-Shirt and earned a good margin.

Investor & Tech Head

It's an online shopping brand by whom I gave all the Technical Support they need.

Fellow Director

a youth organization. I was able to do some great works.

Club Member

I am working in 5 departments and helping them with my expertise

Volunteer

I have been a part of the business club for a while. Participated in many fests.
